For you, we go the extra mile.

What you get:

- Everything from a single source: Individual planning, fast implementation & secure operation of modern IT infrastructures
- From initial contact to operation & support, a defined account team supports you
- Less worry about power or grid outages
- From now on, you concentrate on innovations and no longer get bogged down with routine tasks
- Short decision-making paths ensure faster implementation of your projects
- Financial planning security through transparent cost structure and savings
- Optimal overview due to our clear service portfolio
- Reduce the workload of your colleagues by adding our Managed IT Services to your portfolio

What makes us special:

- Since the foundation in 2017, we have successfully implemented numerous ICT projects for SMEs & corporations
- We are committed, flexible & agile
- From Vejle to Munich to Burgas: 7 locations near you
- Personal consultation & open communication at eye level with your permanent contacts
- We have long-standing partnerships with our customers
- We provide our services from Germany & Europe and store your data DSGVO compliant
- Certifications give a good feeling: ISO 27001, BSI IT Grundschutz, PCI DSS
- Membership in recognized associations & organizations, e.g. RIPE and BNetzA

Independent and yet well connected.
